

SOFTWARE DEVELOPMENT & MAINTENANCE AGREEMENT

Sivan Crane Services — Crane Management Software

This Agreement ("Agreement") is made and entered into between **HC Tech Solutions** ("Service Provider") and **Sivan Crane Services** ("Customer") for the installation, use, support and maintenance of the Crane Management Software described below.

1. Software Scope

The Service Provider shall provide the Customer with the current version of the Crane Management Software, including the following modules and features:

Module	Included
Login & Security	✓
Dashboard	✓
Customer Management	✓
Crane Management	✓
Driver Management	✓
Booking Management	✓
Trip Sheet	✓
Quotation	✓
GST Invoice	✓
Payment Management	✓
Expense Management	✓
Reports	✓
Print / Download	✓

2. Software Setup / Installation Price

The one-time setup and installation fee for the software is **₹5,000** (Rupees Five Thousand only).

3. Monthly Maintenance & Support

The maintenance and support fee is **₹200 per month**, payable every month for an initial period of **one (1) year** (12 monthly payments) from the agreed maintenance start date. This fee covers basic technical support, bug fixing, routine maintenance and minor

corrections. Major new modules, substantial customization, third-party service charges, hosting/domain charges, or paid API services may be charged separately after discussion and mutual approval.

Continuing maintenance beyond this first year is **optional and not mandatory** for the Customer. If both parties wish to continue after the first year, the terms for the following year shall be discussed and confirmed at that time.

4. Payment Terms

The ₹5,000 setup amount is payable as agreed between both parties before final handover / installation of the software. The ₹200 maintenance fee is payable every month for the one-year maintenance term described in Section 3. All payments shall be recorded with a receipt or other mutually accepted proof of payment.

5. Customer Responsibilities

The Customer is responsible for providing accurate customer, crane, driver, quotation, invoice and business information. The Customer is also responsible for maintaining the confidentiality of login credentials and for checking the accuracy of invoices, quotations, tax details and business records before issuing them to customers.

6. Software Ownership & Usage

The Customer receives the right to use the software for its own business operations. The underlying source code, reusable software framework, design concepts and intellectual property remain the sole property of the Service Provider unless a separate written source-code transfer agreement is executed.

7. Data & Backup

The Customer is responsible for keeping important business records backed up. The Service Provider will take reasonable care during maintenance but cannot guarantee recovery from hardware failure, accidental deletion, hosting failure, cyber incidents, or other events outside the Service Provider's reasonable control.

8. Warranty / Support

The Service Provider will correct reproducible software bugs in the supplied version during the maintenance period, subject to the scope of the software. Requests for new features or major changes are not considered bug fixes and may be quoted and charged separately.

9. Termination

Either party may discontinue the maintenance arrangement by giving reasonable notice to the other party. Outstanding payments, if any, remain payable. Termination of maintenance does not transfer ownership of the source code or intellectual property to the Customer.

10. Agreement & Acceptance

Both parties confirm that they have read and understood the scope, pricing and maintenance terms stated in this Agreement and agree to the terms above. Any material change to the scope or commercial terms shall be confirmed in writing and signed by both parties.
